At SIU Credit Union, we love to help our community by donating to your charities and organizations. After all, we're in the business of people helping people. However, we get lots of requests for donations and sponsorships everyday, and it's hard to make sure that each of your requests gets the attention they deserve. So in order to make sure that everyone's getting the same opportunity, please just take a few minutes to fill out our application to receive a sponsorship or donation. When you've completed the application, just turn it into one of our tellers at one of our branches or fax it back to attn: Chris Sievers @ 618.457.6999. Thank you for making it easier to help you.
